

Senior Brag Sheet

****Make a copy or print this digital file, then type your answers****

Filling out this sheet helps your teacher/counselor get to know you better and have more information that will help in writing recommendations for colleges, scholarships, and awards. Please provide specific examples for your answers. **This packet must be completed and returned to the counseling office at least 2 weeks prior to your submission deadline.**

Student's Full Name:

--

ID#:

Counselor:

--	--

Please review the following list of questions/instructions before returning this to your counselor.

- **Are you using the Common App to apply to any colleges?** 
Be sure to add your School Counselor as a recommender in your Common App account. Make sure you are entering their correct email address.
- **List other schools outside of Common App.**

School(s) / Scholarship:	Deadline:	Where to send letter: (mailing address, email address, or portal upload)

If you need a recommendation letter mailed to a school, you will need to provide a pre-stamped and addressed envelope for each school. If the college has a portal to upload the letter, make sure your counselor gets an email to upload.

- **If you have a resume, please attach.**

STUDENT BRAG SHEET

Please provide specific examples for your answers.

1. What leadership positions have you held in school groups or outside employment? What have you learned about yourself from those experiences?
2. What has been the most valuable volunteer experience you have had during your high school years? How did it impact your learning or future goals?
3. Are there any obstacles or special circumstances you'd like to share in your letter of recommendation? Only include details and information you are okay to share with an admissions or scholarship committee.
4. Character is an important part of letters of recommendation. Please share a time where you have shown strong character.
5. Please share anything else that would be helpful to include in your letter.
6. Provide us with 4 adjectives that best capture your personality, work ethic, or values?
7. Describe what you feel sets you apart from other applicants applying to college, and what you will contribute to the college if you are admitted.
8. What do you plan on studying in college and why?
9. Please use the space below if there is anything else you feel we should know about you to "brag" to the colleges about how great you are (proudest accomplishment, most influential contribution to MHS, etc).
