Privacy Policy

Effective date: 04/30/2024

BiteBalance ("us") operates the BiteBalance mobile application (hereinafter referred to as the "Service").

This page informs you of our policies regarding the collection, use, and disclosure of personal data when you use our Service and the choices you have associated with that data.

We do not collect any personally identifiable information from users of our Service. The BiteBalance application does not transfer any data to external servers or third parties. All data generated or inputted by the user within the application is stored locally on the user's device.

We are committed to protecting your privacy and ensuring the security of your personal information. The data stored within the BiteBalance application is solely for the purpose of providing functionality and features to the user. We do not use this data for any other purposes.

By using the BiteBalance mobile application, you agree to the collection and use of information in accordance with this policy. If you do not agree with this policy, please do not use our Service.

Changes to This Privacy Policy

We may update our Privacy Policy from time to time. We will notify you of any changes by posting the new Privacy Policy on this page.

You are advised to review this Privacy Policy periodically for any changes. Changes to this Privacy Policy are effective when they are posted on this page.
