Origin

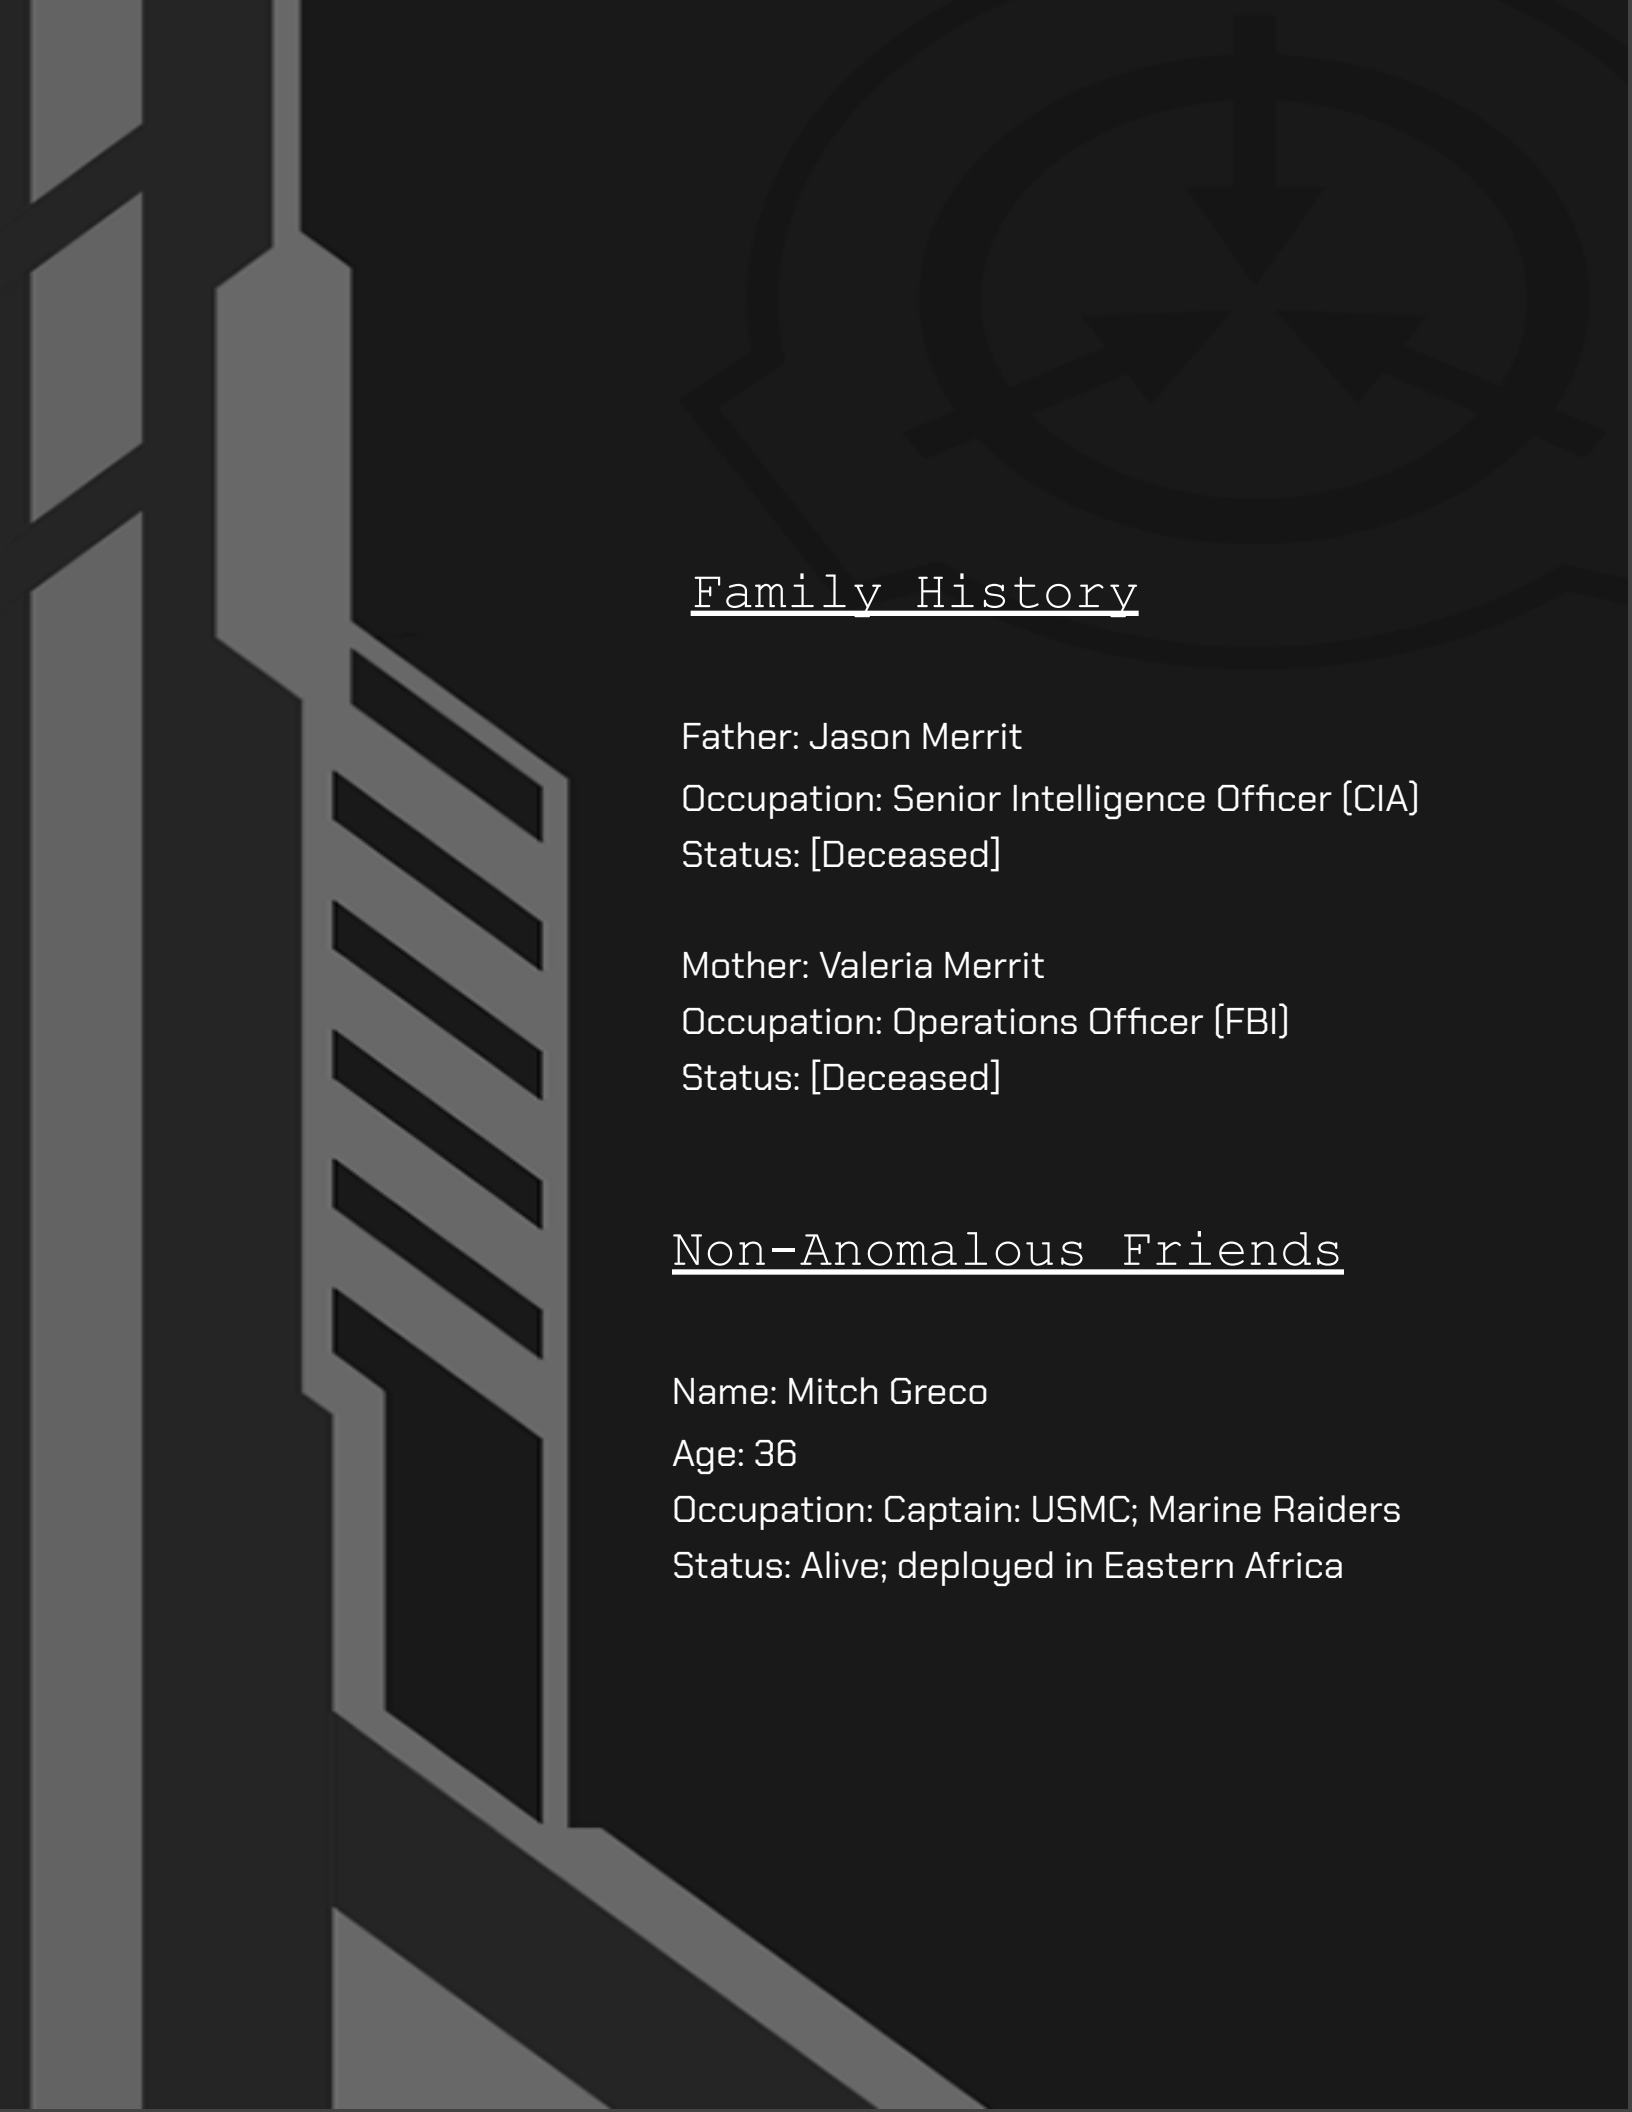

Born in Fallon, Nevada, Nate enlisted in the US Marine Corp at the age of 18. At the age of 20 he passed selection for Marine Special Operations Command (Marsoc) and deployed to Afghanistan and served two tours. Once discharged from the military, he was referred to the foundation by a Pentagon Agent and became a member of General Security at Site-65 in Greenland. Once reaching the rank of Sergeant he was selected for MTF Unit Epsilon-6 by Captain Jax "Theseus" Brooke. After spending 3 years there he was sent by foundation command to Nu-7 "Hammer Down" at Site-66 in Alaska to be a replacement for the Auto-Rifleman Lead, "Blue", who was killed in action.

Psychological Report

Captain "Red" has shown loyalty to his fellow foundation and superiors. He works well in high stress situations making him a perfect fit for Nu-7; However, he can be very distrustful of those around him, especially Internal Affairs. He also doesn't have much regard for chain of command, he listens cause he has to, not because he chooses to, generally following the motto that trust and respect is earned.
