

Meeting Point Details/Photograph for St Albans Trip 4th March 2023

We will meet by the main 'National Rail Ticket Office' in St Pancras International Train Station (this has a large blue sign and is near an area of the station known as 'The Market'). This station is very large with two floors - the 'upper' and 'lower' levels. Our meeting point by the National Rail Ticket Office is on the 'lower' floor'. We will be holding up yellow hand flags to help you recognise us. Please ring us on the mobile numbers provided in the unlikely event that you are unable to find us.

Below we have attached a photograph of our exact meeting point location to make it easier for you. You can also view an official map of St Pancras International Station by visiting the following link: <https://stpancras.com/maps>

NOTE: On the official map, you will see the National Rail Ticket Office clearly displayed.

The closest underground tube station to St Pancras International is Kings Cross (and St Pancras International Station is clearly signposted from this tube station).
