

Prairie Grove Elementary: MUSIC

Grades K-5 Year Long: Weekly Elementary Music Website	
<i>Standards alignment varies grade-to-grade.</i> Illinois Music Standards National Standards	The students will be able to: <ul style="list-style-type: none">• Create and perform music with guidance.• Work with peers to discuss and listen to music• Use a variety of instruments to create and discuss parts of music.• Read basic music notes and perform selected pieces of music.
<p>Prairie Grove Elementary students K-5 are able to engage in a very hands-on music program. Throughout the school year, students explore and perform a variety of music. Students make cross-curricular connections and connections to music through movement, activities, and games designed to be fun and engaging for kids. As children develop music literacy skills, they have access to a variety of instruments and technology to explore and create music of their own. Students also have opportunities to perform for their peers in class, on stage, and during other favorite traditions such as our interactive sing-a-longs! Families can look forward to watching their children star in special music events such as concerts, musicals, and “informances” (less formal and smaller music performances).</p>
