Privacy and Data Protection

The OMC collects the information on this form to provide you with member services such as the newsletter, communicating about upcoming meets and events, club administration and group membership of Mountaineering Scotland (MS), including civil liability insurance. We may, exceptionally, communicate about fund-raising. We do not share your information with third parties except as noted below. Our Privacy Policy is on the club website.

We share your information with MS to register you as a member which enables you, for example, to receive insurance cover and be sent *Scottish Mountaineer*. (Sex and DoB are required by MS who report aggregate anonymous statistics of membership to SportScotland as a condition of grant funding for mountaineering sport development.) MS does not share your information with third parties except insofar as it is necessary to provide you with its services.

We periodically deposit club documents such as newsletters and minutes (but not membership lists) with Stirling Archives and through this your name may be publicly available. By signing this form you consent to occasional references to you by name appearing in future copies of the newsletter, in minutes and in other club documents, and to your name and town of residence being published in the next newsletter as a new member.

We will usually communicate with you through email but will use any means available if urgent communication is required (e.g. last-minute cancellation of a meet).

You must be sponsored by two existing members with whom you have walked/climbed on one or more occasions. Please arrange for this form to be completed by these members, or ask them to confirm their sponsorship of you by email to omc-membership@ochils.com
