

My household chores

I think nobody likes it when his house is in a mess. Doing household chores and keeping the house clean and cozy are necessary.

Everyone in our family has some household chores. But frankly speaking I must admit that my mother does the majority of the housework. Some things must be done every day, others need to be done once or twice a week (like watering the plants).

My daily chores are making my bed, washing up, tidying my room in the evening, cleaning my shoes and taking out the rubbish. This is my usual routine. I also pick up my little sister from the kindergarten. Sometimes I help my mum to cook. We really enjoy cooking.

Twice a week my mother asks me to go shopping to the nearest food supermarket. I usually buy some bread, milk, fruits and vegetables.

Once a week, on Sundays, my parents give the flat (house) a big cleaning. There is a lot of work to do: dusting the furniture, ironing the clothes, mopping the floor, clearing out the bathroom and the kitchen. I am busy with vacuum-cleaning the carpets in our bedrooms and cleaning the mirrors.

I don't consider my household chores difficult and I can cope with them easily.

But sometimes I feel a bit lazy or I may be too busy with my school homework.
