Privacy Policy

BhadarApps built this app as a freemium app. This SERVICE is intended for use as is.

This page is used to inform visitors regarding our policies with the collection, use, and disclosure of Personal Information if anyone decided to use our Service.

If you choose to use our Service, then you agree to the collection and use of information in relation with this policy. The Personal Information that we collect are used for providing and improving the Service. We will not use or share your information with anyone except as described in this Privacy Policy.

Information Collection and Use

We do not collect any personal information. But this app uses third party services like AdMob advertising, Firebase analytics etc. that may collect information used to identify you. Link to privacy policy of third party service providers used by the app

- Google Play Services
- AdMob
- Firebase Analytics
- Crashlytics

Log Data

We want to inform you that whenever you use our Service, in case of an error in the app we collect data and information on your phone called Log Data. This Log Data may include information such as your devices's Internet Protocol ("IP") address, device name, operating system version, configuration of the app when utilising our Service, the time and date of your use of the Service, and other statistics.

Service Providers

We may employ third-party companies and individuals due to the following reasons:

- To facilitate our Service;
- To provide the Service on our behalf;
- To perform Service-related services; or
- To assist us in analyzing how our Service is used.

We want to inform users of this Service that these third parties have access to your Personal Information. The reason is to perform the tasks assigned to them on our behalf. However, they are obligated not to disclose or use the information for any other purpose.

Security

We value your trust in providing us your Personal Information, thus we are striving to use commercially acceptable means of protecting it. But remember that no method of transmission over the internet, or method of electronic storage is 100%% secure and reliable, and we cannot guarantee its absolute security.
