

TI;dr -- A new quizzing engine is coming to Canvas! *Edit the highlighted fields to localize content and enjoy!*

Hi { _____ },

As you may have heard, a new quizzing engine (New Quizzes) is coming and will become the native quizzing engine within our Canvas LMS instance. As we prepare for the transition from our existing quizzing tool, we want to keep our faculty informed to ensure a seamless experience.

What's New with New Quizzes?

- Student Quiz Accommodations for the whole course (not just quiz by quiz!)
- Shuffle Answers by Question
- Printing Quizzes
- Require Waiting Period Between Attempts
- Stimulus, Ordering, and Hot Spot Question Types

As we approach our transition date, we will provide more communication with specific resources, timelines, and noteworthy milestones. [Canvas Guides](#) are currently available in the Canvas Community if you'd like to get a head start on exploring this new tool.

Stay tuned for next steps on our New Quizzes journey!

Best,
