

Birth - Age 5 Programs in the Vancouver Area

If you are a family with a child(ren) with special needs between the ages of birth- 5, there are several agencies available to support you and your child(ren), even before they are age appropriate for Kindergarten. The goal is to advance children's success through developmental activities and parent education while equipping families with the knowledge and skills to advocate for continued success. You and your child may qualify for any of the following services through the district:

- Occupational Therapy
- Speech/Language Therapy
- Physical Therapy
- Early Childhood Special Education (Preschool)
- Specialized instruction in Early Intervention (Birth to age 3)
