FOR SEASON 11 OF RUPAUL'S DRAG RACE

**SPILED T  
FOR S11**

---

#### Anonymous Source 4

- Theme for promo shoot is LARGER THAN LIFE. Queens are asked to do color blocking looks and will pose with life-size props. Think Tiara for Plastique. This may change, but that's the T at the moment.
- Soju went home for medical reasons and it's a running joke throughout the show [medical excuses were given but she went home on her merits]
- Vanjie is the bitch this season and is NOT looked at in a good light by other girls. They can tell she doesn't give a fuck about her S11 sisters and only cares about her S10 sisters. Including telling the S10 girls the elimination order while she was away filming the finale.
- Apparently halfway through the season, the producers gave the girls a talk basically saying, "You want this to be Season 7? Continue acting like this and it'll be Season 7 all over again."
- Halloween ball this year [Ep5: "Monster Ball"]
- Orange runway [seen in Ep4 preview]
- Fringe runway
- Facekini runway
- Rukanda is a challenge in episode 2 with Kahanna being set up in the bottom [she noted she was given a small part but she also just did bad]
- The runway in ep 2 is zodiac themed
- Ep 1 challenge is design looks based off of other queens
  - The winner of that challenge is a white queen who had to make a look based off an AS2 final four girl

---

- Nina is not top 4
- Top 4 isn't Plastique, Silky, Nina and A'keria
- Soju is indeed the first eliminated
  - all the queens doing a past queen look
  - Soju was assigned Kim Chi (they might edit the show to appear that each queen chose but that's not true because they were assigned by production)

- "Off the top of my head [Plastique] is top 6 or 7 ... I think Shuga goes before her but am not 100%" (date not known) [this does not seem to be firm at all so don't take it as confirmation of placements]

---

**u/lilmizmuffet** (Feb 2)

- US Champion Figure Skaters and Olympic Medalists Adam Rippon and Mirai Nagasu will guest judge an episode together [currently unclear which episode]

---

**u/cgg7824** (Feb 2)

  - Plastique does well
  - and Kahanna goes home
- Song of the season is called Queens Everywhere (song in the trailer) and it's the final four challenge song too

- The romance with Brooke and Vanjie is true but they've broken up now
- Kahanna spends more time talking about her anxiety being Coco's daughter than she does doing drag

- Ep9:
  - reading mini-challenge
