

CHARLOTTE CENTRAL SCHOOL Player Responsibility Agreements

I, _____ understand the following to participate in CCS Athletics:

(Student-Athlete's Name)

- I will be in good communication with my coach regarding any potential absences from practice. Failure to communicate will be treated as an unexcused absence.
- I will attend all scheduled practices. An unexcused absence could result in reduced playing time at the next scheduled game.
- A major behavior referral during school or a school-sponsored event will result in an automatic one-game suspension. NOTE: 3 minor behavior referrals will be equivalent to a major referral.
- My playing time will be determined by my effort, attitude, and performance in both practices and games. Playing time is not equal, and I will earn playing time through hard work and understanding of the concepts/strategies being taught
- I will fulfill my academic responsibilities. If I fall behind, my teacher has the right to contact the coach and/or athletic director to create a plan for completing any missing work.
- I will give my best effort during every practice and game, and I will conduct myself appropriately at all times.
- If I have any concerns or issues regarding my participation on a CCS team, I will speak directly with the coach at an appropriate time. I will not allow any problem or concern to negatively affect my teammates or myself.
- I understand that participating on a CCS co-curricular team is a privilege. I will adhere to all school behavior policies during the school day and at any team event.
- My parents/guardians and I understand that being a member of a school team requires respectful behavior toward officials, players, coaches, and other spectators. We acknowledge that Charlotte Central School supports sportsmanlike conduct at all athletic events and competitions.
