

[illegible]

Your classmates' stories are posted around the room. Read them. Which stories are similar to your own life? Why?

[illegible]

| Name of classmate | What obstacles did they overcome? | Have you ever experienced any similar obstacles in your own life? When? |
|-------------------|-----------------------------------|-------------------------------------------------------------------------|
|                   |                                   |                                                                         |
|                   |                                   |                                                                         |
|                   |                                   |                                                                         |
|                   |                                   |                                                                         |
|                   |                                   |                                                                         |
|                   |                                   |                                                                         |

Which story did you like the best? Why?
