What is a Senior Letter?

What kinds of things are in a Senior Letter?

- Congratulations to the senior for graduating
- Well wishes on his/her next phase of life (work, college, military, career)
- Fond memories

How will letters get it to the seniors?

- Bring your letters to one of the drop boxes (Main Office, 11th/12th Grade Office in B120, and Maroon Gym Lobby located near the Theater). ***The senior's name must be on the envelope.***
- Mail letters directly to the school at the address shown above. Envelopes should contain the address in the regular location and the student's full name, including middle name, in the bottom left-hand corner; ***no nicknames, please.***

Staff and volunteers will sort and assemble the letters into individual packets. Senior letters will be handed out at the conclusion of Graduation Practice on Wednesday, May 20.

When may I begin submitting Senior Letters?

Brookwood will receive letters between Thursday, March 26, and Thursday, April 30.
If a letter is received by mail or drop-off after April 30, there is no guarantee that the student will receive it. ***Therefore, we ask that you mail letters directly to seniors after April 30.***
