

Jeff saves the day

Indie

The sun was blazing down onto the scary boat at the bottom of the sea. There was a big black reef around it! Bob came down with diving gear on. He had a grin on his face. He's so mean. He came down into the sea to get the forbidden treasure. As soon as Jeff heard about it he got his diving gear on, and he dived in. As, he dived in he could taste the salt in the freezing cold water. Jeff is so happy and he loves soccer. Jeff is a good dude and has been bullied a lot at school and now because of that he has the ability to stop bullying! He saves lives now!.

Bob swims through the dark and lonely sea and suddenly something comes zooming past to the boat.

He had to get to the boat before Jeff got to the forbidden treasure! So after Bob got to the boat he meet up with Jeff and had a dance fight. So whoever wins gets the forbidden treasure! The music was linkis. There was a keyboard wind maker that Jeff swam down to at the ocean floor. He got it and didn't know what it was so Jeff played it and it blew him away. Well Bob was zooming off. The lost the air tank! So he swam state backup... and Bob saved the day again.

The prosaic was sort of fun because I was only learning to you's Chromebooks and I thought Chromebooks were soooooo cool
