register

Yesterday we had our first AMI Virtual day due to the inclement winter weather. *Please make sure your contact information is current in Infinite Campus so you will be able to get the updates regarding school closings.* If you need help accessing Infinite Campus, please complete the [Parent Portal Assistance Link](#).

Semester 1 final exams will be here before we know it. We recently had class meetings and discussed the importance of GPAs. Be sure to ask your student what their current GPA is, what their goal GPA is, and their plan is to meet their goal by the end of this semester.

[Final Exams Schedule, December 2025.docx](#)

You can check your student's progress in the Infinite Campus portal. For information regarding support for your high school student, please refer to [High School Student Support Protocols](#).

## **\*Senior Pictures are Saturday, December 6th 10am-2pm.**

Seniors can also keep up with Senior Year Announcements and information in the Senior Class Google Classroom online. Dr. Meads, Senior Class Counselor and Dr. Thornton, College & Career Advisor can also be of assistance. [2026 Senior Year Information](#).

The high school is buzzing with many opportunities for students to get involved in a variety of ways. Students are expected to be in their assigned location for their selected activity, club, or sport by 3:05 pm or they must exit the building. Students should not open outside doors; visitors and guests need to report to door 4 to get the proper credentials to enter the building.

Our school hours are 7:50am-2:50pm. Students will not be admitted to the building after 8:05 am without a doctor's note. Door 4 opens at 7:00am so be sure to beat the rush in the morning check in line! Students are expected to be in uniform each day including school ID, use clear or mesh backpacks, and use their Yondr pouch during the school day. **Tablets and personal laptops are no longer allowed during school hours.** Be sure to review our school expectations for more details about the day to day operations here at the high school.
