Notes:

- Courses with an asterisk* must be completed with a C- or higher
- Applied Ethics in Human Services, Field Experience I, Field Experience II, and Field Experience III are a four-semester sequence starting in the Fall semester and must be completed in order
- For additional program details, a breakdown of courses, and graduation requirements, please view the BA in Human Services Program Guide
- A full list of Concentration courses are available on the Human Services Advising Page
- Free Electives may be used to fulfill a Minor or Certificate of Undergraduate Studies *(speak with your Advisor for more information)*
- Summer and Winter Sessions may also be an option *(speak with your Advisor for more information)*
- A list of available courses for the upcoming semester is available on the Human Services Advising Page
- Students can view how their current credits apply to their degree requirements in DegreeWorks
- In addition to major requirements, all programs require the completion of Rowan Core, General Education, Non-Program, and Free Elective requirements
    - Transfer credits may apply to those requirements; speak with your advisor about your specific requirements
