

Tanalian Parents:

This Friday, September 20, 3rd-12th grade students will have the opportunity to participate in a cultural awareness activity by hiking to Kontrashibuna Lake and berry picking. This experience will also take the place of P.E. and will provide opportunity for journal writing and science discussion as well.

We will leave the school around 10AM and be back around 3PM. Students will need to wear appropriate footwear and clothing along with bringing water and lunch and snacks. We will have multiple adults on this outing, but parents are invited to join us as well. If students are not able to go, there will be adult supervision and work here at school.

If you give your student permission to join us on this valuable outing, please sign below! (You may include all children in a family on one permission form).

Thank you!

Mr. Teacher
