For commercial use +100%

I DO:

female characters, stylized portrait, fanart, your OC, NSFW, futa, anime furry, cute animals, backgrounds

I DON'T:

male characters, mecha, realistic firearm, guro, violence, weird fetishes (ask me)

- Simple background (transparent, solid, gradient) is free.
- Payment via boosty or hipolink (accepts Paypal and bank card).
- Under 140\$ - Full Prepayment. Above 140\$ - 50% prepayment, the rest - after you approved the sketch.
- **No refunds**, unless it's my fault that the job isn't finished.
- I will show you the sketch in a few days (usually no more than a 10 days), after I had received the payment. We will discuss all the necessary changes.
- **Corrections** and small **changes** may be made only at the “**sketch**” stage.
- **References are required** for everything, including: characters, their pose, background, style (if you require of me to imitate something).
- **Average drawing time** is 30 days, but it can take less or more time depending on complexity and my life circumstances.
- I retain the right to public the picture in my portfolio/gallery.
- If you need pictures for commercial use, it will cost 100% more.
- If you want me not to publish the picture, it will cost 100% more.
- If you repost my artworks, please add in the description a link to my gallery [twitter](#) [instagram](#)
