Socktober is a month-long initiative that our school will be participating in, and we need your help. Donating a pair of new socks can make a big difference in the lives of our neighbors who are in need. We are accepting sock donations for the month of October. The annual Coats for our Community Campaign is underway. This initiative is a United Way fundraiser that helps to ensure that no child or adult in Peterborough and County will be cold during the winter. St. Anne School is accepting any clean unwanted coats, jackets, snow pants and snowsuits that are in good, wearable condition. Please ensure the outerwear does not have any rips, tears or heavy stains. The collection begins Tuesday, October 14 to Thursday, October 23.				
October 20th- Grade 7-8 Vaccination Clinic October 23, 2025 - School Mass at 9:45 - St. Anne Parish - Led by Mme. Kynaston's 4-5 class October 24th- PA day- No school for Students				

Dear parents and guardians,

As we head into Thanksgiving weekend, we would like to take a moment and express our gratitude to all of our families for your continued support and partnership in your children's education. We feel very grateful for our school community.

We also want to take a moment and thank the Catholic School Council for their support of author Erica London's visit on Friday October 10th. Our Grade 5-8 students had a fantastic experience learning about many topics including diversity, careers, writing and making

connections to text. It is always amazing when students are able to be inspired by authentic visitors!

What's Available for Families -From Peterborough Public Health

There are lots of resources out there for families. Please check out the following links to see how Peterborough Public Health can help families.

A reminder from last week:

All parents must take a moment to read the following [OT tier 1 intervention letter](#) from Five Counties. The Occupational Therapy staff will again be coming into classrooms this year to lead whole-class activities aimed at helping students learn more about fine motor skills. **Please note that this program is an opt-out program. Parents wishing that their child not participate must send notification to Mme. Bergeron Langlois or M. White in the office by October 14.**

This year, we are offering [Mabels Labels](#) to our parent community. This is a great way to label your children's items. Any funds gathered through this will be used to support materials for our Kindergarten play area.
