Dear Mr. Vilela:

Thank you for your letters of congratulation. I am honoured that the Premier has appointed me Minister of Citizenship and Immigration.

As Minister, I am committed to a strong, diverse province in which we work to provide the right opportunities for immigrants, and promote civic contribution and volunteerism so that we can continue to create strong, vibrant communities.

I am especially proud to represent the Portuguese community in Ontario, one of our many diverse communities, all of which have contributed much to the quality of life in our province.

Thank you again for writing.

Sincerely,
