NBHS Parents and Guardians,

I hope the school year is off to a successful start for you and your child. I am writing this letter to let you know that North Brunswick High School has been designated as a Targeted Support and Improvement Additional Targeted Support (TSI-AT) school by the North Carolina State Board of Education. Per ESSA Section 1111(d)(2), schools are identified as TSI-AT schools in North Carolina because one or more of the following subgroups received a subgroup performance grade score at or below the highest identified CSI-LP school's All Students group during the identification year; and is on the TSI-CU list for the subgroup(s) for the previous year. Subgroup performance scores are provided for the following subgroups: (1) Students with Disabilities, (2) Economically Disadvantaged, (3) Black, (4) White, (5) Hispanic, (6) Asian-Pacific Islander, (7) Multi-racial, and (8) English Learners. This letter is to notify our parents and guardians of North Brunswick high school's intentions to improve educational outcomes for underperforming student subgroups and close achievement gaps for all students.

As a TSI-AT (ATSI) school, NBHS is required to develop an Additional Targeted Support and Improvement (ATSI) plan that specifically addresses how the school will improve outcomes for underperforming subgroups. The plan will also include strategies that our district will employ to support NBHS's school's improvement efforts. The ATSI plan will use the following areas:

- Standards-aligned Instruction
- Professional Learning Communities (PLCs)
- Instructional Leadership
- Recruitment & Retention of Effective Teachers
- Implementation of a Multi-Tiered System of Support (MTSS)
- Data-Driven Decision Making
- Student Support Services
- Family and Community Engagement

We have set the following goals for NBHS this year:

- NBHS will increase student proficiency in EOCs rates to meet or exceed the set goals below through effective implementation of tiered interventions, including MTSS and Flex Block.

If you have any questions or concerns, please reach out to the school at 910-371-2261 or email mrollison@bcswan.net.

Sincerely,

Margaret L. Rollison
Principal
