

Friday Nights at BYC in 2024

Our Beercans on Friday night are fantastic. But every Friday night, all year round, should be fantastic at the BYC. BYC members should know that they can come down to the yacht club on any given Friday night, without really knowing what's happening, and have confidence that there will be *something* happening that's fun.

To that end, the BYC will have a Bartender on staff at the club EVERY Friday in 2024 with a drink special.

To get things rolling in the club on Friday nights in January, February, and half of March (until beer cans start March 15) we propose turbocharging our wintertime BYC Friday nights with the following framework of member initiated fun:

- Two Fridays a month will be **Bar Takeover Night**. Signing up for Bar Takeover Night is your chance to set the vibe in the bar and host a party with other yacht club members and your guests: pick the music, set the lighting, pick a theme if you want one, decorate the bar a bit if that's to your liking. Karaoke? Yes. Costumes? Yes. Clothing? Well, yes.
- One Friday a month will be **BYC Game Night**. The Club will provide popcorn and a popper, and the finest popcorn seasonings. Bring your game crew to the club and get playing, or show up and join in on a game. The Albatross (Bird) is gone, but we can perpetuate that institution's great game vibe once a month and be better for it.
- One Friday a month will be **Casual Bar Potluck Night**. Bring some food to the bar around dinner time. Set it up on the side table. Enjoy the company of your fellow BYC members as we enjoy the simple pleasure of sharing a meal together.

A few people bantered this around and thought it would be good to give it a go. What we do on Fridays can change, but this framework should kick things off. Please sign up below for Bar Takeover Night:
