

Health Directory

This medical directory is a collaboration between Pittsburgh AIDS Task Force, PERSAD Center, YWCA, PFLAG Pittsburgh, UPMC, Pitt Medical School, and several local and regional medical providers. While PFLAG Pittsburgh cannot guarantee a positive experience at any particular medical provider, all of the providers on the list are confirmed to be welcoming and affirming. This list is regularly updated. If you have any questions, or know of a medical provider who should be added to the list, please contact us at info@pflagpgh.org.
