Introduction

Welcome to GraceSpace! This privacy policy outlines how GraceSpace("we," "our," or "us") handles information in this app.

Information We Collect

GraceSpace does not collect any personal information or data from users.

How We Use Information

As GraceSpace does not collect any information, there is no use of any data.

Data Security

While GraceSpace does not collect or store personal information, we take measures to ensure the security of the app and its contents.

Third-Party Services

GraceSpace is a standalone app and does not link to external websites or services. No third-party services are integrated.

Changes to This Privacy Policy

Any future updates to this privacy policy will be made to provide clarity on the handling of information in GraceSpace.
