IV. Health Care Discussion (7.5 minutes) SWITCHED HEALTH CARE AND EDUCATION

Met with a bunch of professionals in all settings and we are recommending doing a talent demand report, no verified program process; pathway maps/publication, visual presentations of regional pathways, updating HWI stuff

V. Education Discussion (7.5 minutes)

Still in information gather mode, had lots of discussion, internships, lack pathway is hinder us, insights from the steering committee

VI. Math for Careers Summit - Christine & Suzanne Hizer, Associate Director HSI-STEM (CSUSM)

VII. Meeting Schedule for AY 2024-2025
