GREYHOUND

# SWIM-A-THON

***Every lap counts, every donation matters.***

**30 minutes. As many laps as possible.** On December 16th, 2026, every swimmer on the Pope Swim Team will churn out laps for a great cause, and we need sponsors to cheer them on! Every dollar raised supports **Swim Safe**, helping kids across Metro Atlanta learn to swim safely.

## 30 MINUTES

Non-stop swimming. No breaks, no excuses!

## 1,650 YARDS

Our team goal: average at least a 1-mile swim per swimmer. That's 66 trips across the pool!

## EVERY LAP

Each lap turns into support for Swim Safe

## Two Ways to Make a Splash

### Option 1: Flat Amount

Pledge one set amount to support your swimmer, no matter how many laps they swim.

***Example: $25, $50, or $100***

### Option 2: Per Lap

Pledge an amount for every lap. The more they swim, the more you give!

***Example: $1 per lap x 40 laps = $40***

**BENEFITING**

swim safe

**Every child deserves to be safe in the water.** Swim Safe (formerly the Greater Atlanta Water Safety Alliance) has worked since 2012 to prevent drowning through **swim lesson scholarships, water safety workshops, and community events**. Your sponsorship helps give kids and families the skills to stay safe.

## Sponsor a Swimmer or the Team!

Donations can be made through our Give Lively page where you can DONATE TO POPE SWIM & DIVE'S FUNDRAISER.

You can make a flat donation in the name of your swimmer now, or if you are doing a per-lap donations, lap counts will be posted on or after Dec.16th on the Pope Swim & Dive Team Community Service Webpage. We thank you so much for your support and for all the good your donation will do for our community!
