I acknowledge and understand that:

1. Students are permitted to park on school premises as a matter of privilege, not of right.
2. The Independence School District and its agents retain authority to conduct routine patrols of student parking lots and inspections of the exteriors of student automobiles on school property.
3. The Independence School District and its agents may inspect the interiors of student automobiles whenever a school authority has reasonable suspicion to believe illegal or unauthorized materials are contained inside the automobile.
4. Such patrols and inspections may be conducted without notice, without student consent, and without a search warrant.
5. If a student fails to provide access to the interior of their car upon request by school officials, they will be subject to school disciplinary action.
6. Parking violations will result in the following consequences:
 - a. 1st offense: \$30.00 ticket/fee will be added to the student’s obligation account.
 - b. 2nd offense: \$40.00 ticket/fee will be added to the student’s obligation account.
 - c. 3rd offense: \$50.00 ticket/fee will be added to the student’s obligation account.
 - d. Any offense beyond the 3rd ticket/fee will result in parent/guardian involvement and possible loss of parking privileges.

I have read and understand the school regulations regarding student parking at William Chrisman High School. I further agree to follow these regulations and operate my vehicle in a safe, respectful, and defensive manner. Lastly, I understand that failure to comply with the school regulations may result in any or all of the following: disciplinary actions, loss of parking privileges, legal consequences and/or vehicle being towed at the owner’s expense.
