Oshawaw-Joe -

I vote yes to putting Racer 11 on the last chance list. I keep seeing his name come up in the final report. Can someone point me in the direction of the Penalty History please?

JL -

8/4/13 L3 - 9 pts. + 8/11/13 Multiple - 46 pts. 9/29/2013 L1 - 3 pts. doubled to 6

11-3-2013 L-2, L-3, L-4 58 total points after doubling for probation

That is his penalty history. I'm pretty sure there was more before that he served his probation on and it was removed from the old thread. I vote yes for the last chance list because of the sheer number of penalties over time and the intentional nature of one of the most recent.

DW - I also vote yes.

Handlebar - I vote yes.

Voting is closed on this. JL, if you would, place him on the list.

Thanks.
