CMDA Statement of Faith

While each of us hold fast to additional beliefs important to our relationship with God, the following statement outlines the tenets that provide a foundation for our fellowship and participation in the Christian Medical & Dental Associations.

We believe:

1. In the divine inspiration and final authority of the Bible as the Word of God;
2. In the eternal God revealed in Holy Scripture as Father, Son and Holy Spirit;
3. In the unique Deity of Jesus Christ, God's only Son, whose death and resurrection provide by grace through faith the only means of my salvation;
4. In the transforming presence and power of the Holy Spirit.

CMDA Doctrinal Statement

While our meetings are open to everyone, membership in CMDA is open to those who agree with our Statement of Faith. In addition, CMDA leaders have the responsibility to support the doctrinal traditions of the organizations - doctrines common to most Christian faiths. While we all hold to other particular beliefs as taught in our various denominations, when representing CMDA, I agree to support these doctrinal tenets:

- We believe the Bible to be the authoritative Word of God.
- We believe that there is one God, eternally existent in three persons: Father, Son and Holy Spirit.
- We believe in the deity and humanity of Christ, in His virgin birth, in His sinless life, in His miracles, in His vicarious and atoning death through His shed blood, in His bodily resurrection, in His ascension to the right hand of the Father, in His present rule as Head of the Church and in His personal return in power and glory.
- We believe that salvation is based on the sacrifice of Christ and regeneration by the Holy Spirit.
- We believe in the present ministry of the Holy Spirit, by whose indwelling the Christian is enabled to live a godly life.
- We believe in the bodily resurrection of the just and unjust, the everlasting blessedness of the saved and the everlasting punishment of the lost.
- We believe in the spiritual unity of believers in our Lord Jesus Christ, with equality across racial, gender, and class differences.
