

ART CLOTH NETWORK

The Art Cloth Network *Introduction*

Our Purpose:

Art Cloth Network is an artist-led organization that supports members in exploring textile based art and creates growth opportunities through juried exhibitions and community.

Our Meetings:

Meetings are held annually at venues organized by members in cities across North America. Our next On-Line Business Meeting will be April, 2026 and the In-Person Meeting will be in Carlsbad, California April 2026.

After acceptance to ACN new members are expected to attend both sessions. Attendance at these events activates a new member's right to vote.

Our Organization:

Committees are the foundation of ACN and all members are expected to actively contribute their skills and expertise to at least one standing committee. The standing committees are: Community Connections, Exhibitions, Finance, Meeting Planning, Membership, Publicity and Technology. Additionally, all members are expected to research and explore galleries and exhibition opportunities for potential shows for Art Cloth Network.

Our Exhibitions:

The Art Cloth Network has a *call for entry* to new shows once a year. Members are expected to submit their work. These calls may have a

theme or a size requirement. Up to three works of Art Cloth may be submitted by each artist for each call.
