Dear Parents:

Some schools in Arkansas have closed due to the COVID-19 virus. If we experience any Springdale school closure, the district will make an informed decision about the use of Alternative Methods of Instruction (AMI) days. AMI days allow teaching and learning to continue away from school campuses.

During AMI days, your child's teachers will be available during regular school hours to provide support, feedback and any assistance your child may need to successfully complete AMI assignments. Students may contact their teachers during regular school hours using the teachers' school email accounts or Google classroom. Should AMI days occur, assignments should be completed and returned when school resumes or you may send assignments to your teachers electronically to receive their feedback.

Grade 10 - 12 students have Chromebooks where assignments will be posted or students can access hard copies of their assignments.

Though we may have to do school differently, we believe that the lessons your child will complete serve as instructional tools to help him or her continue the path toward a bright future!

Should you have any questions, you may contact me via email at (pgriep@sdale.org) or call the school office at 479-750-8777. Below you will find a Frequently Asked Questions (FAQ) document and email addresses of our staff.

Sincerely,

Paul A. Griep  
Principal
