

Project MOMENTUM Unit Plan Template

Grade level(s): _____

Subject: _____

Unit Title: _____

Content Standard(s) Addressed:

WIDA Standards Statements:

Should include Standards Statement 1 (Social & Instructional Purposes) as well as an applicable content-area. See [WIDA ELD Standards page 9](#).

**Note: If your chosen instructional unit is for a content-area not represented in the WIDA ELD Standards (e.g. Visual Arts, Music, Technology), consider what cross-curricular connections might be possible within your unit's content.*

Essential Question

What overarching or topical questions guide the unit's content?

Summative Assessment Description

How will students be assessed at the end of the unit?

Sample Learning Activities

Briefly list sample learning activities to provide an overview of the unit's content.

Key Language Use

- ☐ Narrate
- ☐ Inform
- ☐ Explain
- ☐ Argue

Language Expectation(s) Related to Key Use

Choose the WIDA Language Expectations most relevant to your unit and/or students.

Unit-Level Language Goal(s)

Write your selected Language Expectation as a Unit-Level Language goal in student friendly language.

Relevant Language Function(s) and Feature(s)

List any language functions and features particularly relevant to your unit and/or students.

Sample Language Objectives

Write several daily language objectives to demonstrate a daily focus on language.

Key Vocabulary

List Tier 1, Tier 2, and Tier 3 words associated with the unit.

Assess and Build Background Knowledge

List strategies you will use to find out what students know or don't know about the topic and develop the foundational knowledge required.

Strategies to Support Interaction and Student Output

List strategies that promote extended discussion and provide structured opportunities for speaking and writing.

Selected Scaffolds

List scaffolds with descriptions related to the unit's content.

Assessment: Differentiated Language Expectations

Summarize how the summative assessment will be differentiated based on language proficiency.

Notes:
