What to bring: Singers should bring a water bottle. Please do not bring additional items or large backpacks.

Note: If your family is not Christian or even religious, do not be concerned that your singer will be required to do anything that is contrary to your family values or culture.

After checking in at the Youth Chapel, the singers will gather in a side room and perform either from the choir loft or the front of the sanctuary. They will not be required to participate in any of the prayers or readings of the congregation, but may be invited to sing hymns if they choose.

Our repertoire will be "A New Year Carol" and "Lux Aeterna" with a break between the pieces. Families are welcome to attend the service, but this is not a requirement for your singer's participation.

Please know that this is a cultural exchange with our rehearsal hosts, Piedmont Community Church, with emphasis on the word "community" over the word "church."
