

Mungret St Pauls Camogie Club Notes

22/01/2024

Camogie Medal Presentation:

All roads led to the community centre on Friday night as the club hosted their one club medal presentation.

Newly elected Camogie Club Chairperson Mary Barry Larkin was delighted to welcome our U14 and U16 Camogie teams to receive their county medals along with plenty of their family members in toe to support them.

Mary opened up the presentation by speaking about the importance of community, belonging and how welcome she herself has been made feel by the club since she moved to the area a number of years ago and started a family of her own who are all now heavily involved in the club. She also focused on the fantastic coaches and volunteers the club has who cater to the fantastic numbers of girls we have coming through the gates, with a specific mention of the marginalised children we encounter as well as the ever present "#CantSeeCantBe" campaign, both very important areas to us. Its safe to say that although Mary may be short in stature, she certainly is big in heart and that came across clearly on the night!

Mary was then joined by U14 Head Coach Alan Browne to say a few words and introduce the U14 Mackey Shield winning team captained by Saoirse Aherne and then Neil Casey with his U16 County B Champions lead by Captain Jayne Casey. We were delighted to have Limerick Camogie & MSPCamogie players Ailbhe Larkin and Olivia Kerins who presented the medals to each one of the winning players on the night.

Once the presentation was complete, the players had some food from the Hungry Lyons followed by a night of music for all to enjoy. Thanks to all the organisers for making the night happen and of course Wanda Dwane for all her amazing photos which are available on our Facebook page for viewing.

Big shout out also to our County Players who wore the green and white of Limerick throughout 2023.

Aoife Boyce, Roisin O'Neill, Abbey Nealon, Sarah Horgan, Molly Tobin, Jayne Casey, Clodagh Nestor, Lily Quinn,

Amy O'Halloran, Jenny Ryan, Aoife Morrissey, Olivia Keirns & Ailbhe Larkin. You are all fantastic ambassadors for our club and county!

Limerick Camogie 2024:

Newly appointed Senior Limerick Camogie Manager Joe Quaid and his management team announced their Senior Squad for 2024 Very Ireland League and we are delighted to see MSPCamogies Ailbhe Larkin returning for 2024!

Also, we have Olivia Kerins joining the Junior Squad for 2024, and they have already had their team bonding kick off!

The very best of luck to both of you girls!
