

**June 2025**

**Dear Elementary School Families,**

The Manchester School District is always looking for ways to encourage students to read and learn outside the classroom. During the summer break from school, your children might have some extra down time perfect for picking up a book or participating in a learning activity. Below you will find links to the 2025 Elementary School Summer Learning Calendars for students entering grades K - 5. Printed copies of these learning calendars can be found at the following locations:

1. MSD Welcome Center (<https://www.mansd.org/page/welcome-center>) at 148 Concord Street
2. MSD SAU Office (<https://www.mansd.org/>) at 20 Hecker Street 3rd Floor
3. At Bookmobile stops throughout the city (<https://www.mansd.org/page/bookmobile>)

The goal is for each student to participate in as many learning activities as possible throughout the summer. Students who participate will be recognized for all their hard work.

**Booked for Summer 2025 - Theme - Color Our World**
