

RULES

1. A little preface before we get to the rules: I'm very, very slow. Just getting it out there first so everyone knows I'm not purposefully ignoring threads and asks.
2. Preferably, I'd rather not write with anyone below 18 years old, so **please don't lie about your age**. As for NSFW content, I'll only write it with 21+ writers. Needless to say it's very weird to be writing smut with anyone younger.
3. Simply put, I'm also hesitant to write with you if you don't tag any of your posts. It's nothing personal. I just don't like the clutter and seeing posts I don't want on my dash.
4. Don't godmod/metagame/kill off my character without at least some plotting.
5. You can use whatever fancy format you wish. However, I'll remove it on my end if it's too small and/or colored text because it's hard to read. For asks, I'll answer them in a separate post and tag you.
6. I mostly write one-liners, short para, multipara with 90x90px icons. You're free to write a whole novel, but all I ask is for you to give me the time to reply to longer threads.
7. Memes and plotting are the best ways to interact with me, even if we've never written together before. They don't have an expiry date, so go wild.
8. I tag triggers using 'tw trigger' and 'cw trigger'. I don't have any triggers myself, but I don't want to see and WILL NOT write incest or rape.
9. I'm **selective** when it comes to PoeZorii. So, for the moment I'm only shipping her with @onehell-of-a-pilot's Poe. That said, I do love ships! Including, but not limited to: platonic, familial, friendly, rivalry, etc. Hit me up in the IMs or Discord and we'll see where it leads.
