

Upon completing the Dark Talisman quest, the next day some aliens that pride themselves in genetic modifications will have parked a ship outside the witch hut. For a high price (and some expensive resources so they can actually pull the job off) they'll change one of your animals into one of these overnight. Of course this is end game content. (Note: Upon choosing an animal you cannot sell it until the process is complete)

Animals:

Iridium Cow

"A purple cow. Some say its hooves are 100% pure Iridium."

Produce: Iridium Milk (send through a cheese press to get Iridium Cheese)

Note: Not Iridium Quality
