

4023 奇異恩典

Amazing grace

1. 奇異恩典

Amazing grace

何等甘甜

how sweet the sound

我罪已得赦免

That saved a wretch like me

前我失喪 今被尋回

I once was lost but now I'm found

瞎眼今得看見

Was blind, but now I see

2. 如此恩典

'Twas grace that taught

使我敬畏

my heart to fear

使我心得安慰

And grace my fears relieved

初信之時 即蒙恩惠

How precious did That grace appear

真是何等寶貴

The hour I first believed

3. 將來禧年

When we've been there

聖徒歡聚

ten thousand year

恩光如日普照

Bright shining as the sun

喜樂頌讚 在父座前

We've no less days to sing God's praise

盼望那日快現

than when we frist begun
