

## STEM Remote Learning Daily Schedule

Note: When in the remote online model, the block period will end **10 minutes prior to the listed time below in order to allow for transitional time** for both learners and staff to the next online session. For example: When operating in remote learning period 1-2 will end at 8:34 and allow the **extra 10 minutes for any transitional needs**. Period 3-4 will begin at 8:46.

### Monday - Thursday

Period(s)	Time	Student Sample
