GBA BUSINESS AWARDS 2024
NOMINATION FORM

CSR ACHIEVEMENT OF THE YEAR

This prestigious award recognizes a company that truly stands out in its CSR initiatives. It highlights businesses that not only commit to ethical operations but also go above and beyond to make a significant impact on society and the environment.

NOMINATION INSTRUCTIONS

Nomination Submission:

1) Download this nomination form in Word format. You cannot enter your nomination information directly into this online form.
2) Complete the form and email it to Ms. Anna at anna@gba-vietnam.org

Nomination Deadline: Before COB, Thursday, 15 August 2024

Eligibility:

- **Word Count:** Please keep your submissions within the specified word count. Entries that exceed this limit will not be considered.

Judging Process and Timeline:

- **20 August:** Announcement of the top 05 finalists per category.
- **29 August:** Celebration and announcement of the winners at the GBA Business Awards 2024's Gala Dinner.
- The top three winners in each category (Green Business of the Year, Business Innovation Award, and SME Excellence Award) will proceed to the **EuroCham Business Awards 2024 (22 October).**

Questions:

- For any inquiries, reach out to Ms. Anna at anna@gba-vietnam.org or tel. +84 906 963 190.
- Visit website for more information about the award.

INPUT THE FOLLOWING INFORMATION

Business Name:

Industry/Sector:

Contact Person & Title:

Contact Email/Phone:

Topic/Project Name:

Key Achievement of The Project (maximum 5 bullet points):

<u>Criterion 1: Community Engagement and Development</u> - In 600 words or less:

- Describe how your company has actively engaged with and contributed to the development of local communities.
- Highlight specific projects or initiatives that have fostered community growth, improved quality of life, or enhanced local infrastructure.

Criterion 2: Environmental Stewardship - In 600 words or less:

- Illustrate your company's commitment to environmental sustainability.
- Provide examples of how your business practices, products, or services have led to measurable environmental benefits, such as reductions in carbon footprint, waste management improvements, or conservation efforts.
