

International Chess School - Grandmaster Package - Years 1-2-3

When you study at International Chess School, you are ensured high-quality chess lessons and world-class chess teachers.

We have been online for more than 12 years and continue to be the #1 website for professional chess training.

We are proud to have created a World Chess Champion at the scholastic world championship, several national champions (from more countries around the World) and many FIDE titled players. You can become student of our chess school by subscribing to our core chess course, Grandmaster Package.
