

# Travis Robotics Student Application: FIRST LEGO League Competition

Student Name: \_\_\_\_\_ Grade: \_\_\_\_\_

Parent Name: \_\_\_\_\_ Parent Email: \_\_\_\_\_

Parent phone number: \_\_\_\_\_

Please turn in the application at the front office or email to Mr. Johnston at [roy.johnston@houstonisd.org](mailto:roy.johnston@houstonisd.org).

1. Why do you want to represent Travis at the FLL competition?

---

---

---

---

2. Are you able to commit the time to the competition (Thursday afternoons from September through March / April, two or three Saturday afternoon sessions close to the competition, and possibly another hour after school for the weeks leading up to the competition)?

---

---

---

3. Describe a time when you had to work together in a team of different students

---

---

---

---

---

- 4. Most of practice is spent coding, building attachments, and then experimenting with how your robot performs on a challenge. What makes you interested in that process?**

---

---

---

---

---

---

---

- 5. Using the space below or a separate piece of paper, draw and describe your ideal LEGO robot.**
