Learning Targets

School Performance Standards:

Instruction Standard 3: Establishes and communicates clear learning targets and success criteria aligned to curriculum standards.

Instruction Standard 6: Uses appropriate and current technology to enhance learning.

Planning and Organization 2: Uses a data-driven and consensus-oriented process to develop and implement a school improvement plan that is focused on student performance.

Planning and Organization Standard 3: Monitors implementation of the school improvement plan and makes adjustments as needed.

I will...

- Ensure teachers have clear learning targets and success criteria aligned to curriculum standards.
- Use a data-driven process to implement a school improvement plan focused on student performance
- Monitor the implementation of the school improvement plan and make adjustments as needed.
- Use appropriate, current technology to enhance virtual learning.

Vocabulary: Learning Target, Success criteria, data-driven

Learn About It!

You can explore some, or all of these resources. If you want to see a resource again, go for it!
