Frequently Asked Questions:

- Where can I find detailed tournament rules?
 - Go to the tournament page and click “See Rules”.
- Will there be an entry fee to play?
 - No entry fee for this event. Just make an account on the FACEIT platform, join a team, and register your team up for the tournament using the link on page 1.
- Can I play if I’m not currently in North America?
 - Yes, but you’ll need to use a workaround. In your FACEIT game settings, set your region to North America and you’ll be able to play. Please keep in mind that all of the servers are located in Chicago, IL, USA.
- When does the tournament begin? I can’t play on Friday!
 - We’ll be starting the tournament on Saturday if there’s 32 teams or less, and if there’s more than 32 teams then we’ll need to use Friday night to get the first

round(s) of play out of the way. Be prepared to play Friday night just in case we have a lot of teams signing up!

- How are the maps decided for each round?
 - There's a pick/ban phase for each round of the tournament. Since there are seven maps in the rotation, the order is ban, ban, pick, pick, ban, ban, pick.
- How much time do we have to start each round?
 - Once you've checked in for the tournament, the system will automatically start scheduling matches. When you've finished a round in the tournament, it will automatically start the next round once both teams are ready. You'll have 15 minutes to get in the server and start the round. If the other team fails to ready up in those 15 minutes, alert a tournament admin and they can step in to help. An admin can choose to delay the start of the round or forfeit the opposing team based on the circumstances. You cannot start a match with less than 6 players on your team.
- Am I required to record POV demos for this competition?
 - Yes, you're required to record a POV demo for each map/match that you play. This can be done by typing "record [demoname]" in console. If you disconnect from the game, record a second demo file. For detailed rules regarding POV demo recordings, please see tournament rules section 4.4.3.
- What is the prize breakdown?
 - 1st - \$700 USD, 2400 FACEIT points
 - 2nd - \$660 USD, 2000 FACEIT Points
 - 3rd - \$570 USD, 2000 FACEIT Points
 - 4th - \$570 USD, 2000 FACEIT Points
 - 5th through 8th place - 1500 FACEIT Points

- How will prizes be distributed?
