

ShareX Tutorial

⚠️ Click Join TreasureX to receive a ShareX Key, and then proceed with your tasks.

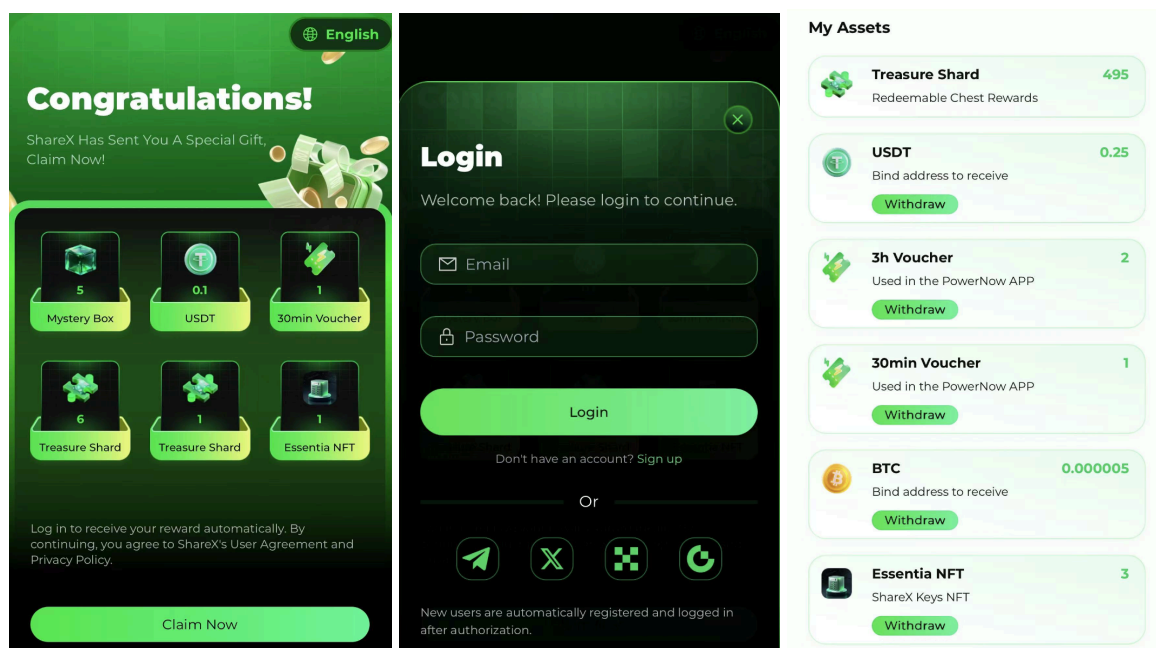

<https://rwa.sharex.network/sharex-keys-series/>

You can get a ShareX Keys Series NFT by participating in ShareX's TreasureX campaign. Every new user will receive an Essentia NFT as a welcome reward.

During the TreasureX campaign, you'll also have opportunities to earn additional mystery boxes by completing tasks, which may grant you access to higher-tier NFTs, including Magna and Nova. All NFTs obtained through TreasureX can be claimed directly to your wallet via the ShareX RWA Dapp.

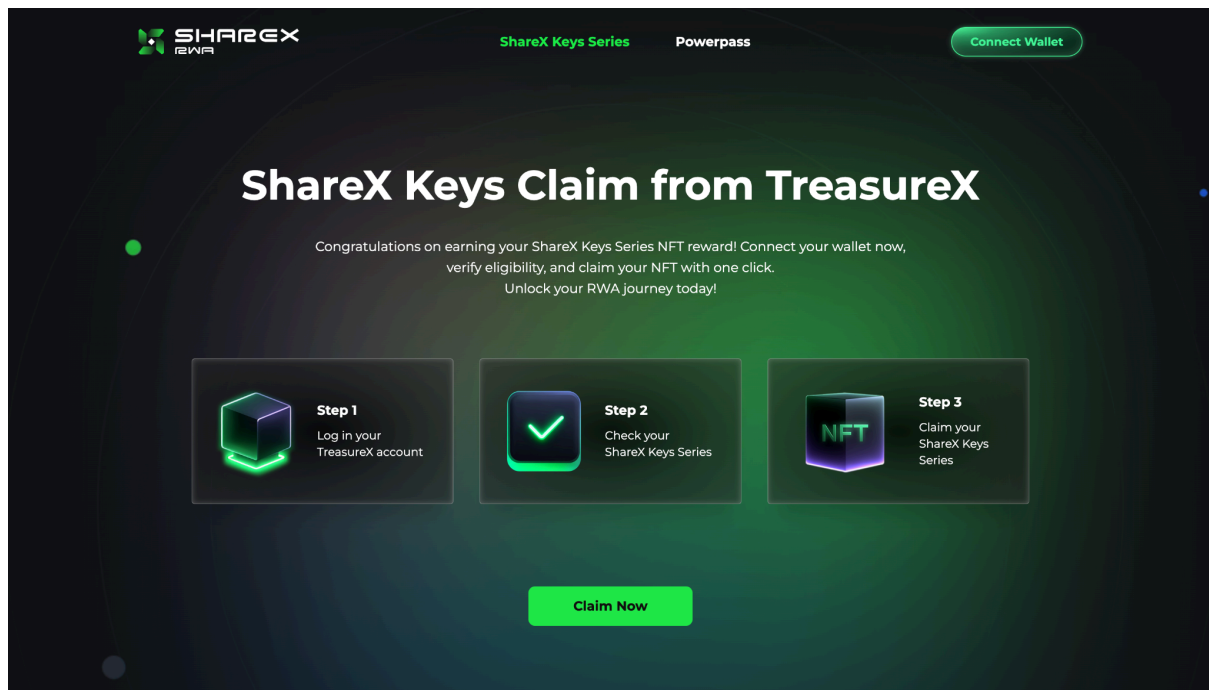

Login to claim your rewards, check them in the Profile. **Make sure you've followed the official ShareX Twitter account.**

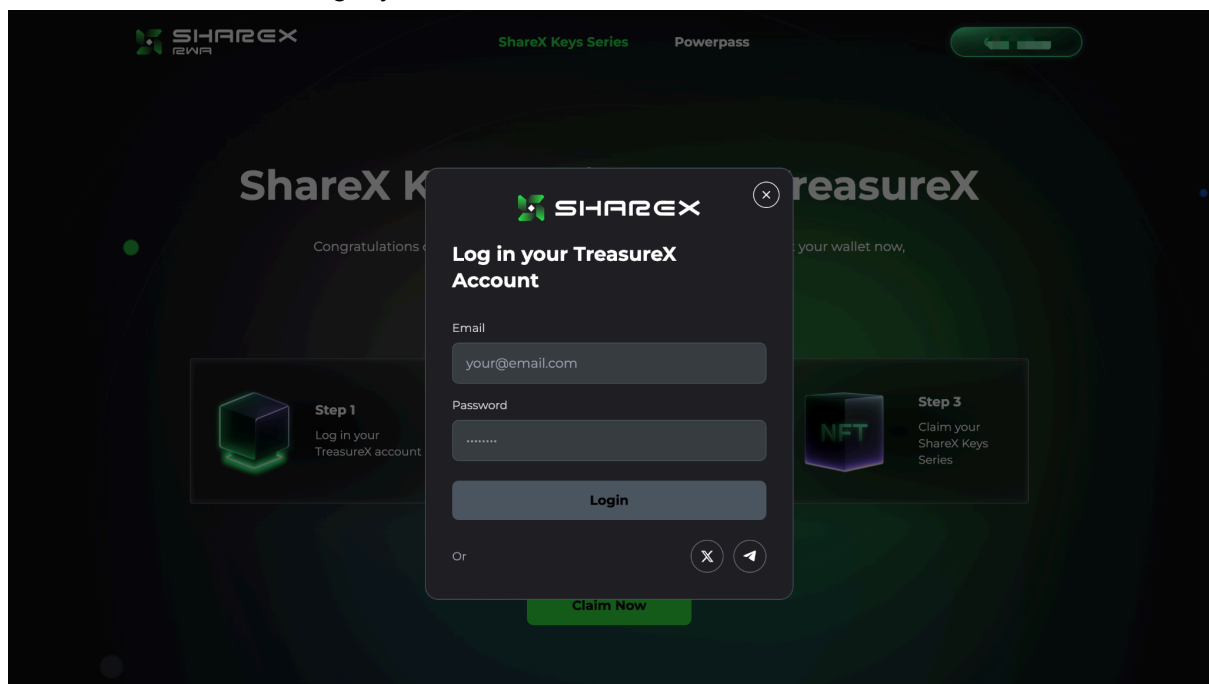

Task 1: Log in to TreasureX, claim, and receive any ShareX NFT on-chain

<https://rwa.sharex.network/sharex-keys-series/claim/>

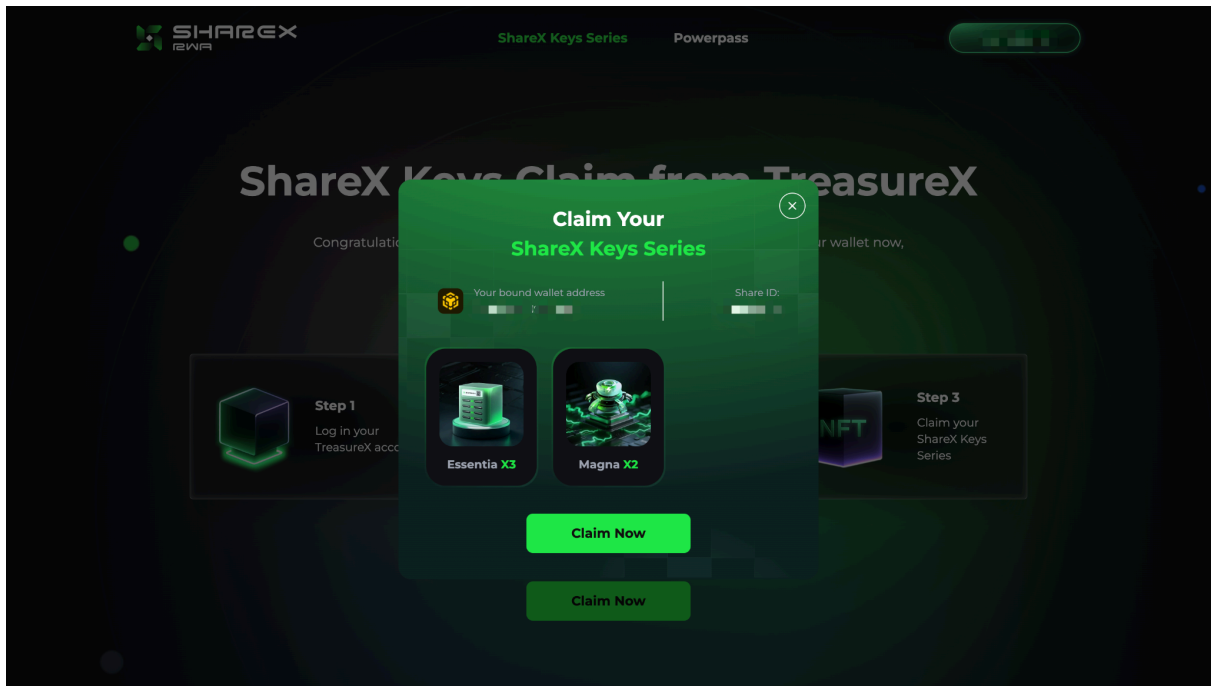

1. Click task 1 and then go to the ShareX RWA Dapp page

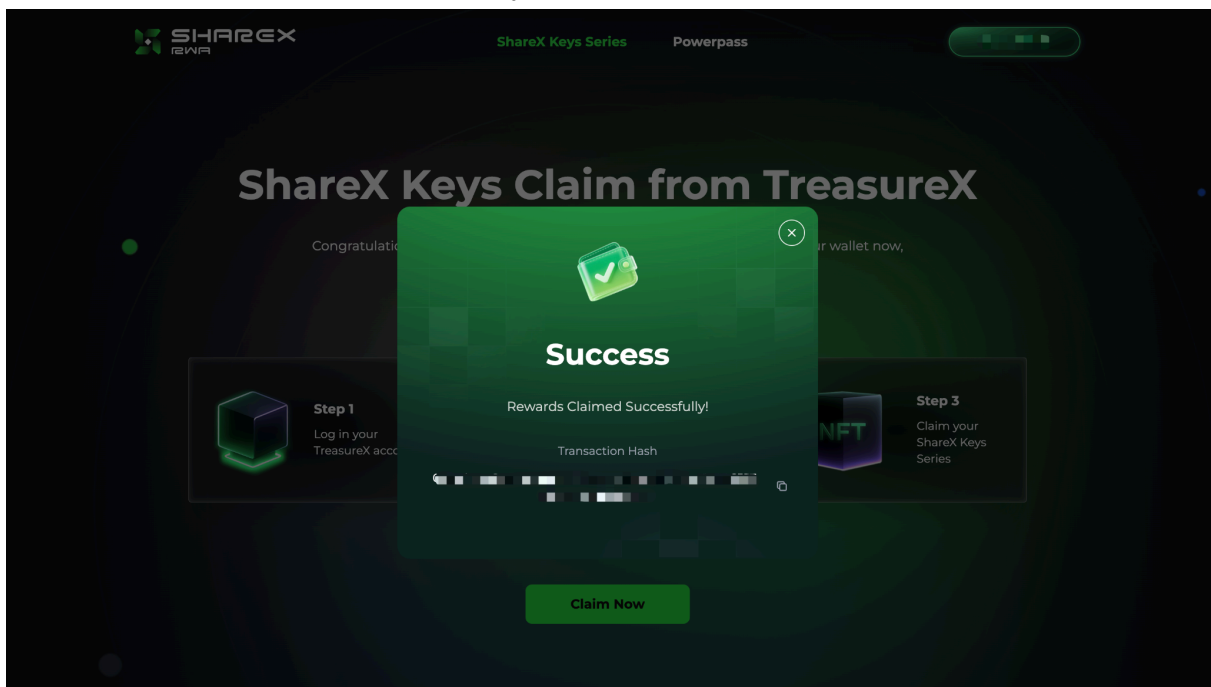

2. Connect Wallet and Login your TreasureX account

3. Check your ShareX Keys Series

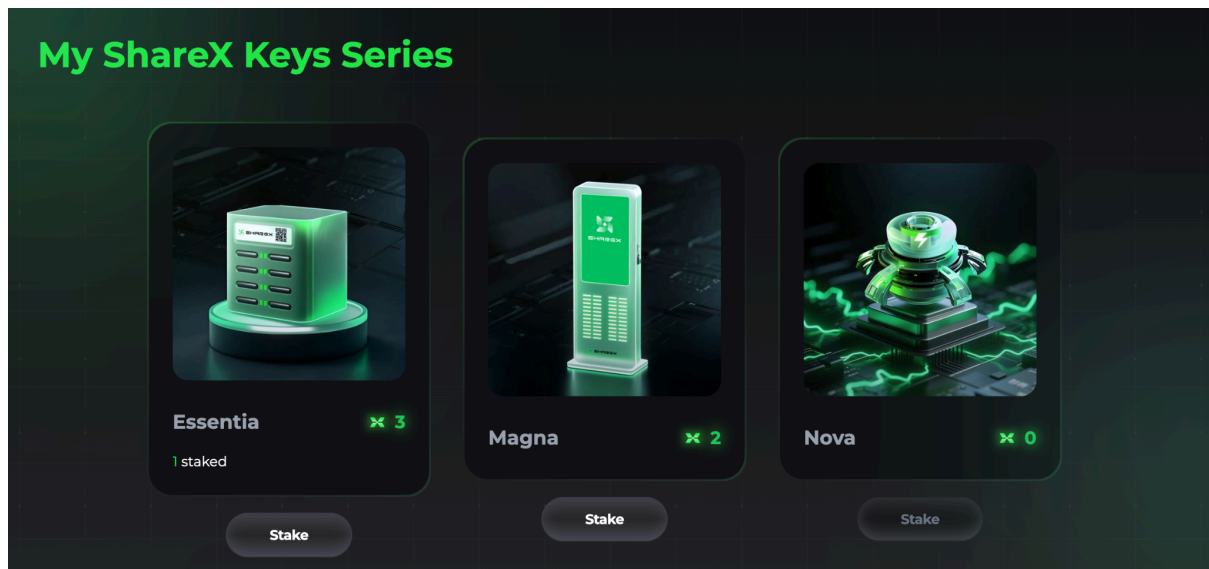

4. Click Claim and Claimed Successfully.

Task 2: Stake any ShareX NFT in the ShareX RWA Dapp

<https://rwa.sharex.network/sharex-keys-series/>

1. Select the Series and then click Stake

2. Select the amount you want to stake, then click Confirm.

3. Successfully staked!

A screenshot of the 'My ShareX Keys Series' interface. It features a central green modal window with a checkmark icon and the text 'Success' and 'Successfully staked 1 Essentia NFT!'. Below this is a 'Transaction Hash' field with a blurred hash and a copy icon. The background shows a 'Stake' button and a '2 staked' status for 'Essentia'.

Stake

Successfully staked 1 Essentia NFT!
