

From Northside Guidance Dept.

Attached is information on **Indiana's 21st Century Scholars Program**. Northside takes great pride in enrolling as many students as possible for this great program. 21st Century Scholars offers income-eligible Hoosier students up to *four years of paid college tuition*. Students **MUST** sign up in middle school or they miss out! The income guidelines are attached. If your son or daughter is on any type of lunch assistance, they will likely qualify. You can go to their website <https://learnmoreindiana.org/scholars/> for more information about this great opportunity.

How do I get signed up?

It's easy! You can log onto the website and apply yourself, come to Northside if you need help, If you send the application to school with your son or daughter we will apply on their behalf. We aim to enroll as many students as we can!

It is critical that you fill in **the student's Social Security Number** and **all the household information with social security numbers.** We have the other requested info. This information will be kept confidential in the guidance office. Please contact us with any questions you have. We are eager to help.

If you already signed up for this program, you can check your status at <https://learnmoreindiana.org/scholars/> and create a personal scholar track which will help to ensure you are following all the steps through high school. The only step in Middle school is to get enrolled. You must enroll by June 30th of your 8th-grade year.

Thank you,

Autumn Bowen & Becky Yates
