

ONHS Ebooks

North high school has multiple different sets of ebooks. An ebook is a book in an electronic digital form.

Access several sets via Destiny (Follett, Ebschohost and Facts on File) via student portal page or <http://destiny.oshkosh.k12.wi.us> then click on Oshkosh North High School.

The screenshot shows the library search results for 'Mockingjay' by Suzanne Collins. The page is titled 'Oshkosh North High School' and includes a navigation menu with options like Home, Dashboard, Catalog, Circulation, Reports, Back Office, and My Info. The search results are displayed in a table with three entries for 'Mockingjay'. The first entry is marked '1 of 2 available', the second '3 of 3 available', and the third 'In'. A star icon is next to the 'Follettshelf' button in the left sidebar, and a large white arrow points to the 'Open' button next to the third entry.
