TRIP REMINDERS

This trip is for the students and not a family vacation. Students are required to be present at all activities on the trip. Also, any parents traveling on their own will not be able to eat at the destinations with students as there are specific reservations for our group. Many times the followers will also be at different locations for dining. We will not be able to accommodate requests for families to eat with, or participate in the same activities, as their students.

Parents and Followers on the trip should talk to one of the parent representatives if they have questions for Dr. Ebert. The tour company will have representatives assigned to the trip. If parents or followers have questions they may address them to the trip coordinators or the tour representatives.

IMPORTANT:

- In the case of an emergency while in Ireland, and you need emergency services immediately, CALL 112 or 999.

- STUDENTS, BE AWARE OF PEOPLE WHO MAY TRY TO LURE YOU AWAY BY ASKING FOR HELP OR WHO MAY USE OTHER YOUNG PEOPLE TO HELP LURE YOU AWAY FROM GROUPS, ETC. KNOW YOUR SURROUNDINGS.

- DON'T STRAY FROM YOUR GROUPS!!! STAY TOGETHER ALWAYS.

- DO NOT give your cell phone numbers to people you do not know.. DO NOT tell anyone what hotel you are staying at. Keep this information to yourself.

PACKING

- What to Pack
  - Uniform
    - All members should have the following: black socks, marching shoes, band polo/khaki pants, band raincoat, marching bibs, marching jacket, gauntlets, marching gloves, shako (no shako box), and warm base layers, top and bottom.   - Instruments
    - All members should have the following: instrument, accessories (reeds, valve oil, slide grease, swabs, mouthpieces, etc.), music, flip folders, and lyres.
  - Clothes
    - Plan for cold and wet weather. Remember that Ireland's latitude is somewhere between Vancouver, British Columbia and Juneau, Alaska. The humidity is very high, and it can be windy. Windchill is a very different experience in Ireland.
    - You will pack your band raincoat and will be allowed to wear it as your raincoat, so you do not need to pack another one).
    - Umbrella
    - 7 or 8 sets of casual (must comply with the school dress code) clothes for the trip. Remember that it can be cold and rainy, so pack warm clothes, jacket, gloves, base layers, beanies, etc. One set of comfortable walking shoes that can withstand the elements. Warm socks.
  - Personal Items
    - Passport
    - Spending money (dollars and Euros)
    - Debit Card or Credit Card
    - Cell phone with charger

- How to Pack
    - Here is the Packing Video.
    - Students should pack their own luggage without help from parents.
    - Do not pack anything that violates school rules and district policies.
    - Leave weight and room for souvenirs for the return flight home.
- Checked Luggage
    - Maximum checked bag dimensions are 63 x 115 inches.
    - Only 1 checked suitcase/bag with name tag attached in plain sight will be allowed, even if you do not check your instrument. This is due to not having enough room on the buses for storage. NO EXTRA BAGS WILL BE CHECKED.
    - To limit/avoid wrinkles, roll your clothes instead of folding them. Specific band uniform folding instructions will be provided to you, but consider rolling your street clothes.
    - Anything that is liquid or that could leak should be packed in a plastic baggie. This includes slide grease, valve oil, shampoo, hairspray, perfume/cologne, contact solution, etc. DO NOT PACK THIS IN YOUR CARRY ON LUGGAGE!
    - Check your liquids when you arrive to make sure nothing has ruptured in your luggage.
    - Lyres should be packed in the checked luggage.
    - DO NOT PACK SMALL INSTRUMENTS IN CHECKED LUGGAGE.
- Carry On
    - Only 1 carry-on backpack and 1 personal item are allowed.
    - NO CARRY-ON SUITCASES.
    - This will be your instrument if you can't fit it in your personal bag/item.
    - Small instruments are: flute/clarinet/alto saxophone/trumpet
    - The personal item must fit under the seat in front of you.
    - Carry your flip folders, reeds, and brass mouthpieces in your personal item.
- Instruments
    - Color code the large instrument cases for the return flight (blue and red stickers). Sticker goes on the AdvantEdge luggage tag.
- Lithium Batteries
    - Devices with Lithium Batteries are NOT allowed in checked luggage and have to be in your carry on bag.

Considerations when packing:

- Do not pack over 50 pounds – YOU WILL BE CHARGED IF IT IS OVERWEIGHT!
- DO NOT bring power strips. This will blow fuses in Ireland.
- Electrical Adapters - You will need to bring an adapter for all devices which require electricity. These can be purchased at many stores that have a travel or luggage section, or on Amazon. Keep in mind that curling irons/curling irons/hair dryers purchased in the United States cannot use these adapters (SEE BELOW).

Final edits coming 3/3/25

- The hotel provides hair dryers. Curling Irons and Flat Irons cannot be used with an adapter *(they require a special transformer to work)*. **DO NOT BRING THESE DEVICES**. If you must have these you will have to buy one in Ireland.
- IT IS NOT RECOMMENDED TO TAKE LETTER JACKETS AS THEY CAN BE RUINED IN THE RAIN. STUDENTS ARE REQUIRED TO PACK THEIR BAND RAIN JACKETS AND MAY WEAR THESE THROUGHOUT THE TRIP.

TRIP INFORMATION

- Passports
  - Passports must be SIGNED.
  - Chaperones will collect them once we get on our coach buses at Dublin International, and they will have them for the duration of the trip.
- Currency
  - Must alert banks that travelers will be out of the country.
  - ApplePay is a great way to pay for things abroad.
  - Pre-order Euros before the trip; you will need cash and there is no time built in to take care of this upon arrival in Ireland. Research your full-service bank and make sure they offer exchange for Euros if you want to bring cash with you. Also, $100 bills can be extremely difficult to exchange in Ireland, even in the banks. Please do not bring 100 Euro bills. It is recommended that you bring 20s and smaller in Euro currency.
  - Money is needed for the following meals:
    - Thursday 3/13: Breakfast or Lunch (depending on flight – other meals provided on the flights)
    - Friday 3/14: Lunch
    - Saturday 3/15: Lunch
    - Sunday 3/16: Lunch
    - Monday 3/17: All meals are taken care of on this day.
    - Tuesday 3/18: Lunch
    - Wednesday 3/19: Lunch
    - Thursday 3/20: Snacks before flight (breakfast at hotel and other meals on the flight)
  - Students should plan on meals costing between 15 and 20 Euros each.
  - Total recommended amount of cash USD ($60USD) and cash Euro to bring ($140E) for meals, or make sure those amounts are available on a card during the trip. Add an additional $100—$200 for souvenirs/extra expenses.
  - It is the responsibility of each student to budget and spend their money wisely over the course of the trip.
  - All entrance fees are paid.
  - If students have any charges associated with their rooms (which they SHOULD NOT) they will be responsible for paying for those. These fees must be taken care of in a timely manner so that students are not late to the bus.

Final edits coming 3/9/25

    - You may also use a debit card in Ireland to get Euros and there may be time for students to exchange money during layovers or when we arrive in Ireland, but this will not be built into the schedule. You must have a PIN number when using these machines. Also keep in mind you will be paying a service fee from your bank for these transactions. Some banks want to be informed in advance for International Travel.
    - **PUBLIC RESTROOMS ARE NOT FREE! Students need small coins to pay. Restrooms usually run between 50C and EUR1.**
- Communications/Cell Phones/Carrier Plans
    - All travelers should sign up for an international plan for the time we are in Ireland.
    - You will need to check with your individual provider for international calling, texting and data plans. You will need to be signed up for international calling if you want to make calls on your cell phone. Check with your provider.
    - Students must exchange cell phone numbers with their primary chaperone.
    - Students, Chaperones, Staff, and Followers who are traveling together on the AdvantEdge Tours package will use the Band app to communicate while on the trip. Here is the link: LEGACY/IRELAND 2025
      Please refrain from using it as a social platform so that we can keep the channels of communication clear.
    - Band app says that most people around the world can use their app, except in countries where the app cannot be installed due to Google Play Store or Apple policy restrictions. However, users in those countries can still access the Band app service through the web version at https://band.us
    - Parents and families who remain in the US or who are traveling on their own in Ireland may use this link to sign up for communications: LEGACY/IRELAND PARENTS AND FAMILIES
    - Parents can also join the Facebook and Instagram pages in order to keep up with daily posts. Parents should have a plan in place to communicate directly with their students. Parents will also have chaperone cell numbers in case of emergency.
    - Contact the hotel and leave a message with the Front Desk for Dr. Ebert in case chaperones cannot be reached. You may also send emails to brian.ebert@adams12.org
- Hotels
    - Use key card in hotels to activate the lights and elevators (insert into reader)
    - 1st Floors in European hotels are not the “Lobby”
- AllergiesFood Allergies
    - If your student has any food allergies, these must be reported on the district forms and shared with Dr. Ebert so that we can get a list of these students to the airline and to the places we will eat on the trip.
- Medications
    - Medications must be in original packaging and clearly labeled with students name and date of birth.

Final edits coming 5/9/25

- Customs

- How to View Parade
    - The 2025 St. Patrick's Day Parade in Dublin will be broadcast live on RTÉ One and streamed on RTÉ Player.
    - The parade will also be broadcast on NH Create at 8:30 AM, 2:30 PM, and 9:00 PM on Monday, March 17. This is New Hampshire-based public television.
