REEDSVILLE, OH – The Eastern Local Board of Education seeks applicants to fill an unexpired term of board member which became vacant on 2/11/2025.

The board will interview candidates at the regular February board meeting held on 2/20/2025 and must name a replacement within 30 days of the vacancy occurring. The newly appointed member will serve until January 1, 2026. If the appointed member desires to continue serving, he or she must run in the next general election.

Those interested in serving on the Eastern Local Board of Education should contact Nick Rose for an application. Applications are also available on the district's website at the following link: www.easternlocal.com. Applications should be turned in by the end of the day Wednesday, February 19, 2025.

According to Ohio law, people serving on Ohio school boards must be district residents, registered voters in the district and at least 18 years old.

Mr. Buckley said the board will review all applications, interview candidates, and decide on the replacement at a special board meeting to be scheduled between February 22 and March 13.

Select candidates will be asked to interview with the Board of Education after review of application materials from all interested parties.
